## Coin club show & exhibit at mall

On April 25 & 26, the Ocean County Coin Club will conduct a two day Coin Show and Exhibit at the Manalapan Mall, Manalapan, NJ to promote National Coin Week 1987. This year's national theme is "Currency Worth Noting," highlighting the vital role the United States Bureau of Engraving and Printing has played in numismatics and celebrates the 125th anniversary of the bureau this year.

The two day show will feature a dozen coin club members exhibits which the viewing public will be asked to vote for the most popular display. In addition there will be at least a dozen coin dealers offering to buy, sell and trade U.S. and foreign gold and silver coins, medals, tokens and paper money.

Club members will be available to

assist individuals with questions relating to the hobby and provide information about the club, New Jersey's most active coin club. Archie Black, Club President said the reason the Ocean County Club is conducting National Coin Week activities in Monmouth County this year is due to a lack of adequate facilities available to a non-profit organization. Black has invited Manalapan Mayor Anthony M. Morelli to visit the show. Mr. Glenn A. Slovak, Mall Manager will also be on hand for the show.

The club has issued a wooden nickel to commemorate the weekend event. They will be distributed to the visitors. Show hours will be 10 a.m. to 9 p.m. on Saturday and noon to 5 p.m. on Sunday. Additional information can be obtained from Jim Majoros at 201-255-6911.

# One-pound Oak last in British set

**T**he English Oak is the highlight of the 1987 British proof set struck by the British Royal Mint.

Featured upon the reverse of the 1987 one-pound coin, the Oak is the last in the series of five designs since the introduction of Britain's first one-pound coin issued in April 1983.

The first design by Eric Sewell depicted the Royal Coat of Arms representing the United Kingdom.

Four regional variants followed: the Scottish Thistle (1984), the Welsh Leek (1985), the Flax Plant of Northern Ireland (1986) and now the Oak. All four floral designs were created by silversmith Leslie Durbin.

The oak was picked because of its role in British history and legend, often being used, in the manner of the bulldog, as a symbol of British character.

— 10 pence, depicting part of the Crest of England, a lion passant guardant royally crowned.

— 5 pence depicting the Badge of Scotland, a thistle royally crowned.

All four coins are struck in cupro-nickel.

The remaining two coins are struck in bronze.

The 2 pence bears the badge of the Prince of Wales with the motto "Ich Dien" (I serve).

The 1 penny features the portcullis (a heavy iron grating lowered between grooves to bar the gateway of a castle or fortified town) and chains royally crowned, which is an adaptation of a badge of Henry VII.

The 1-pound coin bears the edge inscription: Decus et Tutamen (An ornament and safeguard).

The 1987 British proof set is struck in an authorized mintage of 125,000.

The set is available (in leather case) at \$39.75 and \$29.75 (in imitation leather).

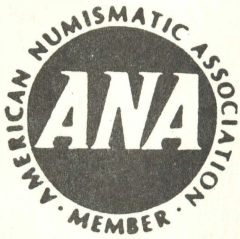

If money is tight or you just want what might be called a starter-set of British coins, you can get the same coins that appear in the proof version in uncirculated condition for \$8.95.

For details, write British Royal Mint, P.O. Box 1, London, W2 1LW, New York, N.Y. 10019.

■ Members of the Ocean County Coin Club will be at the Manalapan Mall April 25-26 in recognition of National Coin Week. Sixteen dealers are expected to be on hand as well as a number of exhibitors. Anyone interested in dealing or exhibiting should call Jim Majoros, show chairman, at (201) 255-6911.

### REPORT ON 1987 NATIONAL COIN WEEK ACTIVITIES

The Ocean County Coin Club of New Jersey reports a tremendous success of its 1987 National Coin Week Show & Exhibit at the Manalapan Mall in Manalapan, N.J. April 25 and 26.

Seven club members displayed 12 interesting exhibits involving U.S. & Foreign Coins, National Currency, Tokens and Gambling Chips.

Twelve dealers were provided bourse space and hundreds of questions were replied to by club members and dealers alike.

The club banner and many signs were seen throughout the mall.

An opening ceremony that involved the Manalapan Mayor, the club president and officers and members kicked-off the 2 day show/exhibit. The ceremony began with a ribbon cutting that was appropriately done with a 16 sheet of one dollar bills and 20 two dollar bills to illustrate the theme "Currency worth noting".

A "Peoples Choice" award for the most interesting exhibits went to Dennis Tilghman for his interesting display on "Colonial Currency"

Advance notice of the show/exhibit was forwarded to local newspapers and radio stations and our coverage was outstanding and this was a boost to our attendance.

In summation, education of the public, through the 2-day show and exhibit was outstanding. Our club received many leads and signed up 6 new members on the weekend. One thousand wooden nickels depicting the event were distributed.
